

**WELDING TRAINING (EN CERTIFIED)
EVENING COURSES, CARLOW 2022
ALL TYPES & ALL LEVELS**

Manual Metal Arc (MMA)/ Tungsten Inert Gas (TIG) /Metal Inert Gas (MIG)/ Coded Pipe

Course Outline

Training will provide participants with the relevant skills, knowledge and competence to enable them to use Welding equipment safely and correctly. Participants will be taught how to weld plate in positions PB, PF and PD and will be given the option to test at the end of the training.

Coded Pipe Welding

For Coded Pipe Welding, training is available on a limited basis and applicants must prove through an assessment at this premises that they are already welding to a required level before being given a quotation for the course.

Who should attend?

Those who are new to welding or wish to explore the possibility of a career in welding.
Those who want to advance their welding skills from basic or intermediate levels.

Certification

Testing is done by an independent welding specialist to ISO 9606 - 1 2013 standard. Tests are available at appropriate levels depending on your ability. Your tutor will advise you on the test best for you at the time. A test fee of €110 will be payable 1 week before the test date.

Requirements

- Applicants must have reached the current statutory school leaving age (16yrs)
- Under Health and Safety Regulations, participants on this course must not wear contact lenses
- Participants must have good hand/eye co-ordination and good manual dexterity
- Participants must bring their own Personal Protective Equipment i.e. overalls, steel toe cap boots, welding shield etc.

Course Duration

6 weeks starting Tuesday 25th October 2022 (ends Thursday 1st December 2022)

This course will be run every **Tuesday** and **Thursday** from **6.00pm – 9.00pm** for 6 weeks from the start date

Course Fee

MMA/TIG/MIG - €750 plus optional €110 test fee if certification is required

Coded Pipe - €850 plus optional €110 test fee if certification is required
